

Housing Resources

It can often be difficult to find a place to stay in San Francisco, especially if you are not familiar with the city. The best place to look for housing near UCSF is the Housing Services website:

www.campusliveservices.ucsf.edu/housing

This will take you to our main website, which has several different resources available under the "Off Campus Housing" link on the orange toolbar located on the left hand side of the screen:

- 1. Short Term Lodging Guide:** The Short Term Lodging Guide is a list of Hotels, Motels, Bed and Breakfasts, Guest Houses, Guest Apartments, and Airport/Extended Stay Hotels. Most of these are located in close proximity to UCSF or near a UCSF Shuttle stop. Many of them provide discounts for UCSF. The Guide can be viewed as a PDF or on the website by clicking on the category you wish to view.
- 2. Off Campus Listing Service and "Roommate Finder" :** Our Off Campus Listing Service can also be accessed on our website. This is the best way to find housing near UCSF. People who would like to rent to UCSF students and affiliates list on this site, and listings can be accessed easily from the "Off Campus Listing Service" link. Most of the listings on this site are properties that are located near the University. Students looking for roommates in their off campus housing also post on the site.

Some people may also find websites such as craigslist.com or metrorent.com helpful in searching for places around the city.

Some real estate agencies also offer rental services. They may be found in the yellow pages or online.

Good Luck with your search!
