Front Door Directory Display

At the entrance of the Mission Bay Housing buildings and the 145 Irving Street apartments there is an electronic front door directory. Guest can look up a tenant’s name in the directory and have the system dial the tenant’s phone number (cell phone or land-line). The system allows the tenant and visitor to have a 2-way conversation. The tenant can let the guest into the building by pressing ‘0’ on his or her phone or ‘7’ to deny entry. Phone numbers and apartment numbers are not displayed in the directory.
