MISSED A TENANT UPDATE? NOW YOU CAN FIND IT ONLINE!

You can now go onto our Housing website (housing.ucsf.edu) and find past tenant update emails! We will keep the archive updated under the Current Tenants section of the site, so it will be easy to find past information in case you can’t find it among your thousands of UCSF-related emails. See the tenant update archive page here: https://campuslifeservices.ucsf.edu/housing/services/current_tenants/archive_of_tenant_updates.

SURVEY ABOUT THESE TENANT UPDATES

We would like to know your thoughts about these weekly tenant update emails. If you have 5 minutes, please take this survey and you’ll be entered to win one of three $25 amazon gift cards! If you’ve already filled it out but didn’t include your email, please email Danielle.Cambier@ucsf.edu to be entered into the raffle. Thank you in advance! GOODWILL DONATION BOX

Housing Services has noticed that some people are mistaking the Goodwill donation box at the end of Adolph Sutro Court as a trash can. Please be a good neighbor and dispose of your unwanted items by contacting Recology. Their bulky item recycling program will come and pick up your junk for free twice a year! Click here: https://www.recology.com/recology-san-francisco/bulky-item-collection/ . Otherwise, Goodwill accepts your donations of clothing,
accessories, toys, books, bedding, linens, movies, CDs, DVDs, and more. Unfortunately, they will not accept empty boxes, exercise equipment, mattresses, car seats and cribs.

VOLUNTEER TO HAND OUT CANDY TO THE TRICK-OR-TREATERS

To create a fun and easy Halloween Trick or Treating experience for the kids within our housing communities, Housing Services Events team is putting together a list of apartments that have signed up to participate in handing out candy on Wednesday, October 31st from 5pm – 8pm. Tenants who sign up to hand out candy should provide their own candy (not provided by Housing). Because Mission Bay Housing is such a large housing complex with so many units and we want kids to be able to trick-or-treat without having to knock on every door, Housing tries to make it a little easier for them. If you would like to volunteer to buy some candy or treats for the kids and hand them out to trick-or-treaters on Halloween, Wednesday, October 31st from 5-8 PM, please sign up through this link: https://www.eventbrite.com/e/hand-out-candy-on-halloween-tickets-51083890291 We will then put a pumpkin on your door to let the kids know where to find all the goodies. Please sign up no later than Monday, October 29th. Parents: Housing will also deliver a list of participating apartments to your door on Halloween to make your lives a little easier. If for some reason you don’t get a list on your door, please make sure to stop by the Housing Office before 5 PM on October 31st to pick one up. And please feel free to stop by the Housing Office anytime on Halloween from 8-5. We’ll happily hand out candy to any trick-or-treaters! For those of you who don’t know what Halloween and trick-or-treating is all about, here’s a helpful video https://www.youtube.com/watch?v=vtnWYMmTUR8.

Next week, October 29 through November 2nd, starting at 9 AM, RF Works will be on site to test the recently installed Wi-Fi devices to ensure proper wireless coverage in the MB Housing Buildings. RF Works will need access to all areas of MB Housing and will need to access each unit. FACILITIES PROJECTS NEXT WEEK

Window cleaning will begin on the West building next week. Please close your windows so that they are more accessible to the washers and blinds for privacy. You may also see painting going on in common areas like lobbies, hallways, bike rooms and stairwells. Please be aware of wet paint signs.

WEILL NEUROSCIENCES BUILDING EARLY MORNING WORK

This will be our last reminder that the construction site of the Weill Neurosciences Building, to the south of Mission Bay Housing, has alerted us that they are scheduling concrete pours to start at 3am, about once per week, over the next few months. If you have any concerns or
complaints about this work, please contact the project email or phone number, which will connect you directly to someone on the job site: WeillNeuroBldg@ucsf.edu and 415.502.4013.

PET ETIQUETTE?

For the second time in recent weeks, our custodial team has had to clean up dog poop or what we hope is dog poop under the mailboxes in the South building lobby. We understand that accidents happen but please, please attempt to clean it up yourself. Our custodians and community sincerely appreciate it. Also, please bag up cat litter before throwing it in the trash, don’t just pour it down the chute. It creates a giant mess.
