Pre-paid Debit Card Rules and Regulations

1. The pre-paid debit card is a convenience established for Premier and F45 members to access public parking at the Rutter Garage and pay hourly parking fees. Possession of the pre-paid debit card is not a UCSF permit. It does not entitle the user to any additional parking rights or privileges at Mission Bay.
2. Pre-paid debit cards are issued only to Premier and F45 members of UCSF Fitness & Recreation Centers. The card is only valid in the Mission Bay Rutter Garage. Members may exit the Rutter Garage via either exit lane.
3. Premier and F45 members receive discounted hourly parking rates (up to 3 hours) Monday-Friday, 8:30 am-4:45 pm. Discounted flat rate parking (up to 3 hours) is available Monday-Friday when exiting before 8:30 am or entering after 4:45 pm, and on weekends and University holidays. The standard hourly rate applies anytime a member parks for more than 3 hours.
4. If the Rutter Garage is full, members may park at the 3rd Street Garage but will need to pull a physical ticket, have it validated at the fitness center, and pay with cash/credit

card to receive the discounted hourly rate. Discounted rates are not available in any surface parking lot.

5. Discounted hourly parking program is subject to change or cancellation at any time. Members would receive a 30-day notice of any program changes. The discounted hourly rate is non-transferable and the same rate applies to all members.
6. No more than one debit card will be issued per UCSF Premier or F45 membership.
7. Pre-paid debit cards may only be used in conjunction with your valid membership. Upon cancellation of your UCSF membership, you must surrender your pre-paid debit card in order to receive a refund of any remaining credit.
8. A \$20 refundable deposit is required for the pre-programmed debit card; a \$20 refund will be applied upon surrender of your debit card.
9. Premier and F45 members may load funds to the pre-paid debit card by credit card payment only. This allows Transportation Services to promptly refund your deposit and any unused funds to your credit card.
10. Report a lost or stolen debit card to the Parking Office immediately as the card has cash value for parking in the Rutter Garage. You must e-mail Transportation Services at mbmsgctr@ucsf.edu. to cancel the debit card. (Requests made by phone will not be accepted.) Please include your name, telephone number and fitness center membership ID# when e-mailing us. A parking representative will respond no later than the following business day.
